Festival of love, knowledge, and commitment

Mehregan is a tribute to nature, a change of seasons, and a time of thanksgiving. Mehregan has been celebrated for the past 6,000 years in the land of Persia.

Since 1994, volunteers from several organizations in Southern California have gathered annually to create an extraordinary outdoor family event. This year we are expecting over 25,000 visitors.

Mehregan is a non-profit, non-political, and non-religious event organized by the Mehregan Organizing Committee of Orange County.
